PROFILE

I am a dedicated Full Stack Web Developer skilled in ReactJS, NextJS and more. Adept at collaborating with cross-functional teams and adapting to new technologies. Committed to continuous learning and implementing new technologies to drive future success. Looking to leverage my passion for technology to excel as a Full Stack Web Developer. Passionate about transitioning into the web3 space in the near future.

WORK EXPERIENCE

Full Stack Web Developer

Rox Technologies Feb 2023 - Nov 2023

As a Full Stack Web Developer at Rox Technologies, I was involved in developing and maintaining web applications using Wordpress, JavaScript, ReactJS, NextJS, Tailwind and PostgreSQL. I have a strong foundation in web development principles and strive to stay up-to-date with the latest technologies and trends.

Frontend Web Developer

Zorro Eth Apr 2024 - Apr 2024

As a frontend developer at Zorro Eth. I was responsible for creating visually appealing and user-friendly websites using Git, ReactJS, HTML5 and Tailwind.

Freelance Web Developer

Dec 2023 - Present

I have been working independently as a freelance web developer to develop and maintain various web applications. I utilize my skills in Javascript, Git, ReactJS, CSS, NextJS, Node.js, Tailwind and PostgreSQL to create responsive and user-friendly websites. I am committed to delivering high quality solutions that meet client needs and strive to stay updated with the latest web technologies and trends.
